DON'T JUST TAKE OUR WORD FOR IT...

“CL Travel Solutions look after the travel for 11 teams across the top three professional football leagues. It is safe to say that we make an effort to work with the Radisson Durham whenever one of our teams is in the area.

From initial enquiry stage, where Wendy and her team really appreciate and understand the needs of a team stay, making the planning and contracting of events especially simple, right through to the stays themselves, where the on site operations team are fantastic, in particular gaining high praise from our clients regarding the food that is produced. Radisson Durham are excellent to work along side and we will continue to do so for the upcoming season and beyond.”
